Product number: 8000104

Valid from 01-01-2024 to 31-12-2024 (inclusive)

Your insurance is a aanvullende zorgverzekering and is based on a combination of 'in-kind' and 'refund' cover.

This means you are insured for:

Reimbursement for healthcare in kind:

- contracted healthcare is 100% of the statutory fixed rate or if there is no statutory fixed rate, of the agreed rate.
- non-contracted healthcare is 50% of the statutory fixed rate or if there is no statutory fixed rate, of the average agreed rate (but never more than the statutory maximum rate or the market rate applicable in the netherlands); or of the claimed rate if that is lower.

reimbursement for refund-based healthcare is up to 100% of:

- the statutory fixed rate or if there is no statutory fixed rate, the statutory maximum rate; or if there is no statutory maximum rate:
- the market rate applicable in the netherlands.

in any case, we never reimburse more than the claimed rate or the maximum stated for the insured healthcare.

In order to be reimbursed for the healthcare, the terms and conditions of insurance associated with this reimbursement overview apply. This healthcare is not subject to the deductible.
